Introduction

Welcome to a brand new concept called the Build Your Own Bible Study. Included in this package are pages to record what you are learning. Here's what's included.

Section Overview:

Book Overview Page

Chapter Overview Page

Daily Bible Study Two Page Spread

Character Study

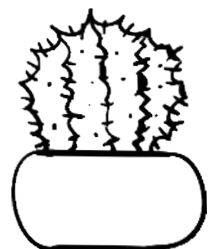

Note Pages

Make Your Own Scripture Cards

Prayer Journal Pages

Print whichever pages you want to use and print them as often as you like for your personal study! If you run out of room on the Daily Bible Study spread, just add a couple note pages. If you don't want a chapter overview, leave that out. As you come across important or encouraging verses you want to remember, add them to the make-your-own Scripture cards.

Adapt this study and make it work for you.

Sections of the Bible

The Bible has been split into different sections according to the type of writing. These sections are useful for identifying themes, understanding writing style and finding what you need quickly. Here's a list of the sections to reference when completing a section overview page.
